

REMARKS

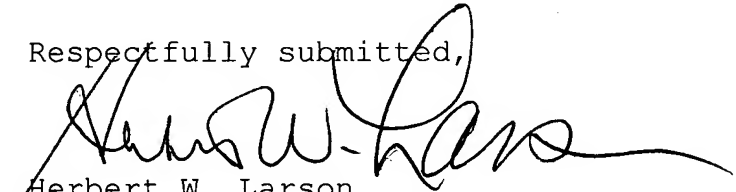

Applicant submits herewith a new set of claims containing the amendment to claim 13, as suggested by the Examiner.

The Examiner's objection to the drawings is being obviated herewith by the submission of corrected formal drawings wherein "descriptive legends" have been added to FIG. 2 as required under 37 C.F.R. 1.84(o).

Applicant further submits substitute pages 1 and 4 of the specification to correct informalities as noted by the Examiner.

In view of the amendments and submissions herewith, it is believed that claims 1-14 are now in condition for allowance. Such action is earnestly solicited.

Respectfully submitted,
